Answer of Q.No. 6 [OR]

Importance of English

The language 'English' is often a mother tongue of some western countries such as, England [U.K.], USA etc. But there is also a difference in the way the people of England says English and in the way Americans says English. May be this was the cause of error in sharing of language. However, you can notice similarity in the word 'English' and 'England'. Thus, English is the language of England. But as we all know English have spread to many countries of the world and getting
